BALL VALVES

APOLLO Ball Valves, 1/2"-12",
All Alloys Available, ANSI Class 150-600

A-T Controls Complete Line of Ball Valves, 2-Way & Multi-Port,
1/4" - 12" NPT, SW/BW and Flanged, ANSI Class 150-600 Flanges

KTM Ball Valves 1/2"-10", 2-Way & Multi-Port,
Carbon & Stainless, ANSI Class 150-300

LINUO Metal Seated Ball Valves, 1/4"-12",
NPT, SW and Flanged, ANSI Class 150-1500 Flanges

NEOTECHA Ball Valves 1/2"-6" PFA Lined,
Flanged, ANSI Class 150-300

METAL SEATED ZERO LEAKAGE VALVES

LINUO Metal Seated Ball Valves,
1/4" - 12" NPT, SW and Flanged, ANSI Class 150-1500 Flanges

VANESSA Zero Leakage Metal Seated Triple Offset Butterfly Valves,
3"-36", Flanged, Lug & Wafer, ANSI Class 150-900

CONTROL VALVES

LESLIE Metal Seated Control Valves, 1"-16",
ANSI Class 150-4500, Flanged and Butt Weld

NEOTECHA PFA Lined Quarter Turn Control Valves,
1/2"-6", ANSI Class 150 Flanged

BUTTERFLY VALVES

FLOWSEAL High Performance Butterfly Valves 2"-48",
ANSI Class 150-600 Wafer & Lug Style, Soft & Metal Seats

CRANE/CENTERLINE RS Butterfly Valves 2"-48" Resilient Seated,
Metal Seated & High Performance Teflon Seated, ANSI Class 150-300

KEYSTONE Butterfly Valves 2"-48" Resilient Seated,
Metal Seated & High Performance Teflon Seated, ANSI Class 150-300

NEOTECHA PFA Lined Butterfly Valves, 1.5"-24",
Wafer, Lug and Flanged Connections, ANSI Class 150

VANESSA Zero Leakage Metal Seated Triple Offset Butterfly Valves,
3"-36", Flanged, Lug & Wafer, ANSI Class 150-900

CHECK VALVES

Duo Check High Performance Check Valves, 2"-88",
ANSI Class 150-2500, Wafer, Lug, Double Flanged, Soft and Metal Seated

PRINCE/GULF General Purpose Check Valves adaptable
with outside lever and weights. Sizes 2 - 48"

NEOTECHA PTFE Lined Ball Check Valves, 1" - 8", ANSI Class 150

NOZ-CHECK High Performance Nozzle-Type Non-Slam Check Valves 2"-
60", ANSI Class 150-4500, All End Connections, All Materials

GESTRA Check Valves 2"-48", ANSI Class 150-900,
Wafer Style, Soft & Metal Seats

YARWAY ARC Valves Provide Economical as well as
Effective Protection for Centrifugal Pumps

KNIFE & SLIDE GATE VALVES

CRANE Pressure Seal and Parallel Slide Gate Valves

PENTAIR Rubber Knife Gate Valves For Slurry and Abrasive Applications

STEAM PRODUCTS

Forbes Marshall Piston Valves w/ Zero Leakage on Steam and Hot Oil, 3/8"-8", Class 800

GESTRA Offers Steam Traps for All Applications, Pressures and Temperatures; Also a Complete Line of Boiler and Level Controls, Non-Electric
Condensate Pumps Along with Continuous and Intermittent Blowdown Valves.

LESLIE has a Complete Line of Precision Steam Regulators and Water Heaters.

We also offer Plug Valves, Parallel Slide Gate Valves, Process Strainers, Y Strainers and Basket Strainers.

ACTUATORS & ACCESSORIES

HYTORK Can Solve Your Quarter Turn Valve and Damper Automation Requirements

ROTORK A Complete Line of Electric, Electro-Hydraulic and Pneumatic Actuators for your toughest application

LESLIE Offers a Complete Line of Linear and Diaphragm Actuators

MORIN Offers a Complete Line of Pneumatic and Hydraulic Quarter Turn Actuators

ASI Actuator Specialties Can Repair any New, Old or Outdated Electric Actuator, Specializing in Limitorque SMB

GO Lever-less Limit Switches Designed For Reliability in Any Application, Including: Explosive and Corrosive Areas

TOPWORX Field Networking, Valve Control and Position Sensing for Quarter Turn and Linear Valve Positions

SMITH FLOW CONTROL Mechanical Safety and Control Systems. Flexi-Drive and Easi-Drive Operators and Power Systems

A-T Controls Has a Complete Line of Pneumatic Rack & Pinion and Scotch Yoke Actuators Along w/ Electric as Well

LEVEL INDICATION

INSTRUMENTATION & CONTROLS

Fossil Power originated the Aquarian line of Boiler Water/Steam Level products that have been sold by Yarway™ for 17 years

LESLIE PMC Pneumatic Controller

GEMS Level, Flow and Pressure Transducers Including: Ultrasonic, Optics, Conductivity, Proximity, Float, Visual, Fluidic Systems, Intrinsically Safe Relays and Controls

MTL Surge and Lightning Protection For Process Equipment Signal & Power Lines, Field Bus and Intrinsic Safety

REOTEMP Gauges, RTD's, Thermocouples, Diaphragm Seals

HI-TECH Provides the Right Technology for Every Level Application Offering a Complete Line of Level Controls

GEMS Pressure & Temperature Transducers

ROSEMOUNT Continuous Signal Radar Based Level Measurement for the Most Demanding Process or Inventory Applications

PMV Analog, I/P, Pneumatic and Smart Positioners

SOLENOIDS

ASCO is the Worldwide Leader in the Design and Manufacturer of Quality Solenoid Valves

LAURENCE Fast Acting On/Off Solenoid Valves, Turbine Trip Valves and Standardized on all GE Turbines

VERSA Air Control Valves for Process Control, Oil & Gas, Refining and Many Other Industries

CO-AX Solenoids for High Pressure Media that needs to be controlled at high flow rates

VALVE AUTOMATION & SERVICES

- Valve Automation
- Damper Actuation
- Certified Test Stand
- Certified Technicians

- Steam Trap Surveys
- Valve Heat Rate Surveys
- Fabricated Steam Trap Stations
- In-Line Safety Relief Valve Testing

- Actuator Repair
- Steam Trap Repair
- Level Gauge Repair
- Valve Repair & Rebuild
